T-32

Dear Dave:

I'm writing a second letter to tell you the same things in the first one, cause letters do occasionally get astray, and I figure it's worth a 22¢ stamp to make sure that I don't waste 2 or 3 hundred bucks coming down there only to find that I don't get picked up cause you didn't know I was coming.

So — I'll arrive in Alpine on February 28, with March 1 as alternate date. I'll come by Greyhound, and I'll wait for you at the station if they have a greyhound station in Alpine. If there is no station with a waiting-room or anything, I'll meet you at the main post-office in Alpine. If a temporarily leave the bus station or post office, I'll leave a message for you at the counter. I don't yet know what time of day I'll arrive so you just come whenever it's convenient for you and one of us will wait for the other.

—Ted
